PIB — National Electric Mobility Mission Plan

EVA IAS Resource

PIB — National Electric Mobility Mission Plan

The February 2025 PIB release explains that:

- **NEMMP 2020**

  provides a roadmap for EV adoption/manufacturing.

- **FAME India**

  was launched to promote adoption and manufacturing of electric/hybrid vehicles.

- FAME-I operated up to March 2019.

- FAME-II operated from April 2019 for five years.
- The government has continued schemes to strengthen India's EV ecosystem.

PIB — Status of National Electric Mobility Mission Plan

UPSC Note

Don't memorize the PIB article line-by-line.

Extract the **concept**:

> ***India's transport sector is shifting from conventional ICE-based propulsion towards alternative/electric/cleaner powertrains.***
